## LOCAL ARTISTS SUPPORT LAGUNA GREENBELT

Giovanni Di Franco

On December 10, 2022, local artist Sukhdev Dail held the Arroyo Artists' Collective Open Studio in conjunction with other Laguna Beach artists: Siân Poeschl, Troy Poeschl, Monica Prado and Sandy Groves. A portion of the proceeds were graciously donated to Laguna Greenbelt helping fund our efforts in completing the Irvine-Laguna Wildlife Corridor.

Members of Laguna Greenbelt were able to attend the studio opening and share their gratitude for supporting the Wildlife Corridor. Current Board President Norm Grossman shared: *"We are grateful to Suki for his support of our efforts to ensure that the wildlife that make our open spaces special is preserved and enhanced. His love of nature is wonderful to behold."*

Sukhdev Dail (right), a long-time Laguna resident, is a talented sculptor known for creating pieces inspired by nature.

*"My goals for my first open studio were to return to a time, like Laguna in the 70s, when art wasn't so commercialized and when enclaves of artists allowed for collaboration and cooperation." - Sukhdev Dail*
